

Our Services includes...

An Israelis term Moshav –is our model for communal living and caring for our land. Own private dwellings and communal spaces make for unique cost-effective connectivity.

There are four private dwellings comprising 12 bedrooms, 7 bathrooms: multiple car parking spaces on 15.2 acres, This includes 4 acres of creek reserve. Split air and canara heating is available throughout buildings

There is opportunity to volunteer cooperative labour and agriculture. There are two large vegetable gardens, two orchards, a greenhouse, and a citrus grove.

There is a Library and Conference room which include books on ecology, theology, philosophy, world religions, ethics and psycho-spiritual education.

There is an excellent stand-alone Art Studio-with storage, hot and cold running water, accommodating 12 or more artists

There is a lawn Labyrinth, which is ideal for contemplative prayer or taking a walking meditation.

**Be nourished, refreshed...
and revitalised at retreat.**

Aims

To revere the Taungurung people, past, present and emerging and their and sacred land on which this community is built.

To build upon the rich tradition, of the Christian Brothers- Edmund Rice who built on this land, for the purposes of conducting Ecological Spiritual Retreats.

To invite gardening volunteers to stay in the Guest House to support our centre's hands on learning programs.

To develop a retreat, soon, where retreatants can stay in our guest house for their respite and renewal.

To develop a retreat soon, where visitors and retreatants can attend our wellbeing programs in the art studio or the conference centre.

WHO WE ARE

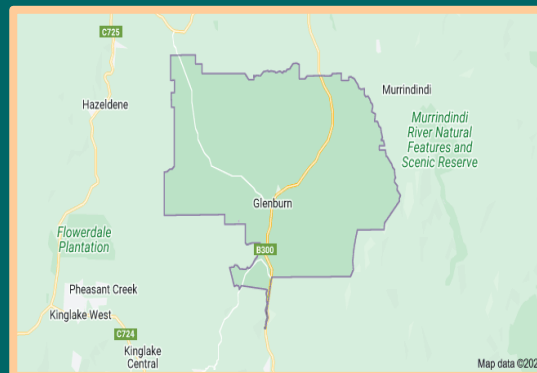

We are a small dedicated, growing eco-centric staff team living on site, taking our inspiration from Christ's message and nature.
